Bangkok is 13. 750 N, Hanoi is 210 N, Jakarta is 620 S while Singapore is 130 N, so the sequence of above countries when arranged from South to North will be Jakarta, Singapore, Bangkok and Hanoi, so option (c) is correct.

19. Integrated Watershed Development Programme re-establishes ecological balance related to harnessing, concerning and developing ruined natural resources. The idea of IWDP is to save soil run off, renewal of natural vegetation, implementing rain water harvesting, which depict that statements 1, 3 and 4 are correct which makes option (c) correct. Statement 2 is incorrect as recharging of ground water table excluding connection of countries among perennial rivers with seasonal rivers.
20. From the question, mango crop production is mainly in areas of Ambala, Panipat, Karnal, Yamunanagar and Maharashtra and not in Mewat, so it is incorrect. The Areca Nut crop production is not in Kinnaur region whereas it is present in coastal regions, so it is also not correct. Soya Bean production in India is mainly in Madhya Pradesh and not in Coromandel since it is famous for peanut crop productions, so this is also incorrect. From the above description we see that none of the above options are correct, hence (d) is the correct option.
21. Kancheepuram is a place which serves as traditional home industry for its well-known crafted sarees, so this is correct. Chanderi, in Madhya Pradesh is famous for production of Pure Silk, Chanderi Cotton and Silk Cotton fabrics which serve as famous centre for traditional saree weavers, hence it is also correct. Bhadrachalam is a religious place in Orissa which is not related to production of traditional sarees or fabric, so it is incorrect. Karnal in Haryana is also an invalid option as this is not much known for traditional fabric. With this only 2 and 3 are correct, hence correct option is (b).
22. National Highway 4 is a major highway in Western and Southern India which connects mainly Mumbai-Chennai segment on which Hyderabad is not located, so it is incorrect. National Highway 15 is another highway which connects Samakhiali in Gujarat with Pathankot in Punjab and does not pass through Jodhpur, so it is also incorrect. National Highway 6 runs through Gujarat,
