SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY

CONDUCTS 32nd CONVOCATION CEREMONY

The Sathyabama Institute of Science and Technology held its 32nd Convocation Ceremony in Chennai on August 14, 2023. The Institute has a distinguished history spanning over three decades and offers multi-disciplinary academic programmes in various fields of Engineering, Science, Technology, Law, Dental Science, Pharmacy, Nursing, Management, Arts and Science and Allied Health Sciences. The institution holds a prestigious position, being established under Sec. 3 of the UGC Act, 1956, and proudly carrying an 'A++' Grade accreditation from the National Accreditation and Assessment Council. It consistently strives for innovation and improvement in higher education, adapting to global changes in the educational landscape.

At the heart of this institution is a dynamic and exceptional faculty, employing innovative teaching methods and equipped with state-of-the-art infrastructure and world-class research facilities. The collective efforts of students, parents, industry partners, and alumni continue to drive Sathyabama to greater heights, earning it a place among the Top 100 Universities in India, as recognised by the NIRF under the Government of India.

The 32nd Convocation was graced by the honourable presence of Prof. Dr T.G. Sitharam, Chairman of AICTE, who delivered an inspiring convocation address. Dr Mariazeena Johnson, the Chancellor of the institution, presided over this significant ceremony. Dr Marie Johnson, the President of the institution, felicitated the chief guest. The Chancellor also had the honour of presenting gold medals to meritorious students in the presence of the chief guest.

During this memorable event, the Col. Dr. Jeppiaar Best Thesis Award was presented by the chief guest, and research scholars were awarded their Ph.D. degrees. The Vice Presidents of the Institute, Mr J. Arul Selvan, Mrs Maria Bernadette Tamilarasi, and Ms Maria Catherine Jayapriya also graced the occasion. Parents, faculty members, and distinguished academicians were present at the convocation to extend their warm wishes to the new graduands.

A total of 3,504 graduands received their Undergraduate Degrees, 551 received Postgraduate Degrees, 9 earned Diplomas in Pharmacy, and 104 accomplished their Ph.D. journey. Among them, 47 exceptional students were awarded gold medals for their outstanding academic achievements.

Sathyabama Institute of Science and Technology takes pride in its consistent placement records. In the academic year 2022-23, 384 esteemed companies visited the campus to hire students, extending 3,094 offers. Impressively, 91.62 percent of the students secured placements through the campus recruitment programme, with the highest CTC reaching Rs 53 LPA and an average CTC of Rs 5.40 LPA.

Furthermore, Sathyabama Institute of Science and Technology has established collaborations with leading universities and research institutions both nationally and internationally. As a research-intensive university with world-class laboratories and research facilities, it actively engages in pioneering research in emerging areas of Science and Technology. The Institute truly serves as a "Global Destination for Global Aspirations of the Students".
