STATE OF THE STATE

UTTARAKHAND FIRST

ENERGY: REINVENTING UTTARAKHAND MODEL

"Uttarakhand was supposed to become Urja Pradesh, supplying power to the rest of India...there's still 10,000 MW power that remains to be tapped"

DR R. MEENAKSHI SUNDARAM
Secretary, Energy

SECURING FESTIVAL HUBS

"Good policing not just secures life, personal liberty and justice for the citizens but also contributes a lot to their prosperity"

ABHINAV KUMAR
ADG, Intelligence & Security

THE HILLS: NEW OPPORTUNITIES

"We cannot sustain 10 crore tourists; so we have to go for quality. As long as you play the quantity game, you are destined to lose"

SHAURYA DOVAL
Founding Director, India Foundation

TAKING AYURVEDA TO THE WORLD

"India has about 15,000 medicinally essential trees and plants. Of these, 40 per cent are present only in Uttarakhand. The state will become the manufacturing hub for Ayurveda"

ACHARYA BALKRISHNA
CEO, Patanjali

MAKING UTTARAKHAND INDIA'S YOGA CAPITAL

"If we want to make Uttarakhand a nursery of Yoga, we have to evolve its youth...make its people aware that this region has a unique energy"

BHARAT THAKUR
Chairman & Founder, Artistic Yoga
