## ▼ INDUSTRY: REVIVING BRAND UTTARAKHAND

**"When Uttarakhand was carved out from UP in 2000, the industrial sector contributed just 12.5 per cent to its GDP. Today, it has reached 46 per cent, which is a great achievement for the state"**

**VINAY SHANKAR PANDEY**
Secretary to Chief Minister and MSME & Investment Commissioner

**"Industry moved to Uttarakhand because of a lot of financial benefits that were offered, but then we realised that it is the overall atmosphere of the state that is very, very conducive to the industry"**

**VIPUL DAWAR**
Managing Director, Indo-German Brakes Pvt. Ltd

**"Attracting investments needs a marketing strategy. There are two parts to it. One, sustaining what has already been achieved. Two, working towards further expansion. Uttarakhand is already on the right track"**

**ARUN RAI**
Head, Uttarakhand Operations, Honeywell

**"We've assured the CM that the target of Rs 2.5 lakh crore investments in Uttarakhand [in the next five years] can be met by the industry within the state, with no need to look for investors from outside"**

**BIPEN GUPTA**
Chairman, CII, Uttarakhand

## MY MUSICAL JOURNEY

**"In order to excel in any field, determination is the key.... It was my *junoon* for singing that helped me reach where I am today"**

**SONU KAKKAR**
Singer

**THE SOUND OF MUSIC**

**"The folk music of Kumaon and Garhwal is very rich. It's important for our children to know it. I want to make them aware of it through classical music"**

**DR RAVI JOSHI**
Vocalist and Professor at DSB Campus, Kumaun University, Nainital
