INDIA TODAY SS
STATE OF THE STATE
UTTARAKHAND FIRST

"Access control will be a big part of how Uttarakhand manages its tourism in the coming years. In today's world, small is big....it doesn't mean big buildings, big resorts...but being sensitive to the lay of the land...keeping our *bugyal* (alpine meadows) in mind"

VAIBHAV KALA
Founder, Aquaterra Adventures (India) Pvt Ltd

▲ HOLIDAY HUB: PUSHING FOR LUXURY

▼ KNOWLEDGE HUB: EXTENDING THE LEARNING CURVE TO THE FUTURE

"My argument is that if you are planning for the future, the most important thing is research. And we are not paying enough attention to that"

DIPANKAR GUPTA
Author & Sociologist

"When the students of today enter the industry as job-seekers tomorrow, what will be the job possibilities? We have to pre-think this"

MANI C.V., Principal, Indian Public School, Dehradun

"Children need to be taught how to think out of the box. Eventually, these are the skills that will equip the students of today to take on the future"

VIBHA KAPOOR, Principal, Welham Girls' School, Dehradun
