PARTICIPATED IN THE JHARKHAND ADIVASI MAHOTSAV 2023

I take great pride over the fact that I am a tribal Chief Minister. Under the ambit of Adivasi Mahotsav efforts are being made to get due recognition to the tribal culture and identity. Besides the dance, and music, resilience is a hallmark of tribal identity. With the unified strength of tribal identity, we must strive to march ahead together towards a better and prosperous future.

of an alternative economy, tribal literature – fiction and non-fiction. Besides this there was a vast array of Tribal Food available which was a delight for the guests visiting. In addition, the National Tribal Painting Workshop and Tribal Film Festival was also showcased for promotions, discussions and the visiting audience.

The Fashion show was stamped by the participation of youth who were donned in tribal modern attires. The vibrant colours of Tribal attires have wonderfully made the mark among the youth of Jharkhand. Hundreds of drones created a wonderful hue in the sky of Jharkhand. On the other hand, through the laser show the determination of the brave sons of Jharkhand to sacrifice everything for the protection of mother, soil and language in the freedom struggle was deftly showcased.

Blessed is the heroic land of Jharkhand to be the living embodiment of rich tribal history and culture. Under the leadership of Chief Minister Hemant Soren the state once again successfully gave a message to the whole world to celebrate, revive and preserve the rich tribal culture and heritage.
