Cucumber	25.33
Shravasti	24.42
Jaunpur	26.65
Basti	23.36
Ghazipur	22.83
Kushinagar	22.28
Chitrakoot	21.40

maternal health, years of schooling, school attendance, cooking gas, sanitation, drinking water, electricity, housing, assets, and bank accounts.

Under Chief Minister Yogi Adityanath's leadership, the rural areas of Uttar Pradesh have witnessed an unprecedented improvement in the standard of living, as confirmed by NITI Aayog's figures. The poverty reduction has been particularly noteworthy in rural regions compared to urban areas. In 2015–16, 44.29% of the rural population experienced multidimensional poverty, which significantly decreased to 26.35% in 2019–21. Similarly, in urban areas, the percentage of people living in poverty decreased from 17.72% in 2015–16 to 11.57% in 2019–21. These figures demonstrate an exceptional 18% decline in the rural population living below the poverty line.

ENSURING FOOD SECURITY

While the NITI Aayog's report primarily focuses on reforms up to the year 2019-21, the schemes implemented by the Yogi Adityanath government for the welfare of the poor have continued their momentum. Under the National Food Security Act, the state is distributing 35 kg of food grains, 1 kg of iodized salt, and 1 kg of refined oil free of cost to approximately 15 crore poor individuals, incurring an expenditure of Rs 7741 crore. Additionally, Antyodaya ration cardholders receive 1 kg of free sugar every month. The Yogi government has also decided to provide free food grains to Antyodaya and eligible household beneficiaries for one year from January 1, 2023.

DREAM OF A HOUSE, NOW A REALITY IN UTTAR PRADESH

Prime Minister Narendra Modi started the "Pradhan Mantri Awas Yojana" to realize the concept of "Housing for All". In the state, Chief Minister Yogi Adityanath's government has played a pivotal role in expediting the implementation of this scheme. As a result, an impressive 54 lakh families have already been provided with pucca houses in the state. Notably, about 35 lakh houses have been constructed under Pradhan Mantri Awas Yojana (Rural) and more than 17 lakh houses under Pradhan Mantri Awas Yojana (Urban).

Furthermore, Chief Minister Yogi Adityanath's initiative, the "Mukhyamantri Awas Yojana (Rural)," launched in 2018-19, has significantly contributed to fulfilling the dreams of the poor to own their own houses. Under this, special priority has been given to Vantangia, Tharu, Kol, and Musahar communities. Additionally, families affected by natural calamities such as Kala-azar, encephalitis, and leprosy in various districts of the state have also benefited from this scheme. Under the Mukhyamantri Awas Yojana (Rural), over 1.62 lakh houses have been constructed. Like Pradhan Mantri Awas Yojana, facilities like free LPG connections, toilets, electricity connections, etc. are being provided in these houses.

In a historic move to address the housing needs of the underprivileged, the Yogi government has taken a revolutionary step by constructing houses under the Pradhan Mantri Awas Yojana on land reclaimed from the clutches of the mafia. In Prayagraj, Chief Minister Yogi Adityanath personally handed over the keys to the beneficiaries after constructing 76 houses under the Pradhan Mantri Awas Yojana (Urban) on land freed from the mafia.

AN ABUNDANCE OF JOY SPREADS EVERYWHERE

- Free LPG connections to more than 1.75 crore families under Pradhan Mantri Ujjwala Yojana. Provision of 2 free LPG cylinders on Holi and Diwali to all the beneficiaries.
