

CHHATTISGARHIA OLYMPICS 2023

Thrill of Indigenous Sports

Sports have been a tradition since time immemorial, instilling enthusiasm in our lives. Through sporting events, people get an opportunity to showcase their skills, boosting their confidence and energy. This vitality aids us in tackling new challenges and paving the way for success in the future. Until a few decades ago, traditional sports were widely popular, and people participated in them with great enthusiasm. However, with changing times, this culture gradually began to fade away. It is crucial to keep the sporting culture alive and thriving. Traditional games foster a wide range of skills that are essential for a positive life outlook. To preserve the culture of these traditional and indigenous sports, "Chhattisgarhia Olympics" is being initiated as a comprehensive effort. Come, be a part of this Mahakumbh of indigenous traditional games and contribute to passing them on to the next generation.

Bhupesh Baghel
Chief Minister, Chhattisgarh

The Mahakumbh of indigenous sports i.e. Chhattisgarhia Olympics 2023 has started. In the tradition of Chhattisgarh, Chhattisgarhia Olympics started from the day of Hareli Tihar. The festival commenced with the esteemed presence of Chief Minister Bhupesh Baghel, exuding a sense of pride and dignity in Chhattisgarh's traditional games. This time 16 types of indigenous sports have been included in the Chhattisgarhia Olympics, in which children to the elderly will show their sports talent. These competitions will be organized at different levels, in which the strength of the players with enthusiasm, passion, enthusiasm and sportsmanship will be seen. Cash prizes will also be given to the winning players.

- Events will be held at six levels from Rajiv Yuva Mitan Club to state level
