M-POWERING PEOPLE WITH WORLD CLASS BANKING

C A. Milind Kale,
Chairman,
The Cosmos Co-op Bank Ltd

In the world of Co-operative Banking, The Cosmos Co-operative Bank Ltd. holds the record of 117 years of relentless service to its more than 20 lakh satisfied customers through 159 branches in 7 States.

A Bank with 117 years of history in the cooperative sector. Can we trace the learnings and the evolution of the Bank across these years?

Cosmos Society was established on 18th January 1906 and later converted into a Bank in 1927-28. Progressive journey of the Bank saw many stages of characteristic development. In the year 1990 Bank received the status of Scheduled Bank and in 1997 that of Multistate Scheduled Bank. This is the status transformation of the Bank while in the terms of figures, the business setup was Rs.50 Crore in 1978 and in March 2023 Bank has crossed Rs.30,000 Crore business setup. Cosmos Bank is spread across 7 states through its 159 branches. This was possible only because of the trust of our customers, business ethics, professional integrity, corporate governance and regulatory compliance.

The Bank has emerged out of a rough patch in recent times. How have you managed to steer it back on course?

The year 2018 was really crucial year for our Bank. The cyber incident happened very first time in the cooperative banking sector. After that our Bank adopted new technologies and advanced banking tools to add value to its services and further strengthening the security measures by following best cyber security practices. It includes defense in depth, zero trust network, deception mechanism, robust endpoint protection & detection, review and response framework, getting all business-critical systems under SOC umbrella. Awareness is being continuously created in this regard among the staff and officers of the Bank.

What are your future plans for the Bank?

As per the guidelines of Reserve Bank, the Bank is continuously striving to achieve the target of 50% retail loan disbursement of the total loan business by March 2024. To achieve these targets our Bank has started retail loan department to increase retail loans. We are fully equipped to provide all banking services online to our customers. Besides this Bank is expanding its network by way of mergers of small banks. Bank has so far merged a total of 17 small and sick co-operative banks, thereby protecting the deposits of lakhs of depositors. In near future digital lending facility will be made available.

What have you identified as future focus areas for the organization? How is the organization future ready?

In the current modern banking era, digital banking plays a vital role. By changing the technology with time, the Bank has continuously provided the latest services and facilities to its customers. We are also trying to connect with next generation by way of tech savvy advanced services. To upgrade the human resources, we are continuously imparting various online, offline trainings to our staff. Recently our Bank has launched Post Graduate Diploma in Banking Product Marketing to develop the skill set amongst our staff. In short Retail Business, Digital Banking, Best NPA Management, Network Expansion and Compatible Resources are the main focus areas of our Bank.

Across a century, the Bank has seen and supported the growth of its customers. How have your customers evolved, in their needs and expectations? How does it feel to be a trusted 3rd generation Banker for families that have been with you for this long?

We proudly say that our Bank is serving the 4th generation of our customers by providing latest services like net banking, mobile banking, WhatsApp banking, Cosmo GenZ app etc. Technology has become extremely important in meeting customer's expectations. Considering the needs and expectations of every segment of the society Bank has always presented tailor-made loan products to our customers. Cosmo Udyog Loan, Cosmo SME Loan, Hello Doctor Loan, Cosmo Merchant Loan are some of the tailor-made schemes. Bank is offering all these loan schemes at very competitive rate of interest.

With such a progressive outlook ; The Cosmos Co-op Bank is all set to delight customers for coming decades.
