# ACCESSIBLE QUALITY EDUCATION FOR ALL

With tears welling up in the eyes of parents, joyous smiles adorning the faces of children, and teachers extending warm welcomes adorned with garlands, a heartwarming spectacle unfolded across all divisions of the state on September 11th September 2023 . The occasion was the commencement of the session of Atal Awasiya Vidyalaya, where children of labourers, construction workers, and COVID orphaned children had gathered to receive free, high-quality education, modeled after Navodaya Vidyalaya.

As parents, holding their children's hands entered the school and witnessed the impeccable arrangements, Chief Minister Yogi Adityanath's initiative appeared nothing short of a blessing. The students and their parents, upon setting foot on the campus, were awe-struck by the well-equipped classrooms, comfortable hostel rooms, and wholesome meals provided. Such an extraordinary setup had previously only existed in their imagination. The children's excitement knew no bounds when they learned that all these provisions has been made for them, bringing tears of joy to their hardworking parents' eyes. They had never dreamed of sending their children to such a school. For them, the commencement of the Atal Awasiya Vidyalaya session felt like a festive celebration—an unexpected dream come true for these families.

Atal Residential School stands as Chief Minister Yogi Adityanath's innovative endeavor to offer completely free and high-quality education within an exceptional residential system to the children of laborers and those orphaned or affected by the pandemic in the state. The first academic session has commenced in the Atal Awasiya Vidyalaya established by the Yogi government in all divisional headquarters across the state. In this inaugural session, 80 students (40 boys and 40 girls) secured admission in the sixth grade based on their performance in divisional-level entrance examinations held at these schools.

Prime Minister Shri Narendra Modi inaugurated 16 Atal Awasiya Vidyalaya in Uttar Pradesh, with a total cost of Rs 1115.37 crore, on 23 September 2023 at the Rudraksh Convention Center in Sigra, Varanasi. The first session has commenced in 18 Atal Awasiya Vidyalaya statewide, with 16 being fully operational and the remaining two schools slated for completion within the next two months. In this initial session, 1400 children who had faced adversity and lost their parents during the pandemic were granted admission to these Atal Awasiya Vidyalaya. The schools also emphasize sports activities for both boys and girls, skill development, and the implementation of the action plan in accordance with the National Education Policy-2020.

## "MUKHYAMANTRI MODEL COMPOSITE VIDYALAYA" IN 57 DISTRICTS

Following the establishment of "Atal Awasiya Vidyalaya" to provide quality education for the children of laborers and the underprivileged, Chief Minister Yogi Adityanath has taken a significant step. He has decided to establish state-of-the-art "Mukhyamantri Model Composite Vidyalaya" in 57 districts of the state and upgrade one composite school each in all 75 districts to Chief Minister Abhyudaya Composite School.

The campuses of the "Mukhyamantri Model Composite Vidyalaya" will span 5-10 acres and will initially feature a minimum of three sections for each grade. The school premises will also include residential accommodations for the principal, teaching staff, and other personnel. These schools will offer world-class infrastructure, including smart classrooms, robotics and machine learning centers in each classroom, composite science and mathematics laboratories for classes 1 to 8, modular laboratories for chemistry and physics for classes 9 to 12, computer labs, language labs, separate libraries for classes 1 to 8 and 9 to 12, extensive playgrounds, and multiple activity halls with open gyms.

Additional facilities will include the installation of solar panels, rainwater harvesting units, water purification plants, mid-day meal kitchens, dining halls, washing areas, integrated handwashing units, modern firefighting equipment, and online CCTV camera systems. Out of the 24,000 composite schools (pre-primary to Class 8) operating in the state, 75 schools will be selected and gradually upgraded to "Mukhyamantri Abhyudaya Composite Vidyalayas." These Mukhyamantri Abhyudaya Vidyalayas will offer amenities such as Abhyudaya Blocks, mid-day meal sheds, Bal Vatikas, Poshan Vatikas, security personnel deployment, child-friendly furniture, modular desk-bench setups, Wi-Fi, and CCTV systems.

## REVOLUTIONIZING BASIC EDUCATION: A COMPREHENSIVE TRANSFORMATION

Prime Minister Shri Narendra Modi has introduced the "PM SHRI" (Prime Minister Schools for Rising India) scheme with the objective of comprehensively enhancing basic education. Through collaboration with the Government of India, 1725 government schools in the state have been chosen for participation in this program.

In the initial phase, all essential construction work in 272 primary council schools, 570 composite council schools, and 82 secondary schools designated for development will be completed by December, according to the guidelines provided by
