## VARIOUS COMPONENTS OF NSSH TO HELP SC/ST ENTREPRENEURS

The NSSH scheme has introduced various interventions to cater to the needs of SC/ST MSEs in the areas of market linkage, technology, capacity building etc. to provide a conducive ecosystem. These components are:

**a. Special Credit Linked Capital Subsidy for technology enablement**

To facilitate procurement of plant & machinery for SC/ST MSEs of manufacturing and service sectors by providing capital subsidy to the existing as well as new MSEs. It is aimed at capacity building of existing SC/ST MSEs and creation of new enterprises by aspiring SC/ST entrepreneurs. A special provision of 25% subsidy to SC/ST MSEs on institutional finance for procurement of Plant & Machinery without any sector specific restrictions has been incorporated.

**b. Capacity building of existing & aspiring SC/ST entrepreneurs and Toolkit distribution**

Capacity building being a crucial part to develop entrepreneurial ecosystem, NSQF compliant courses are being imparted through Training Institutions of Central Government, State governments, Public Sector Undertakings and Government Autonomous institutions. In addition, free toolkits are distributed for the training programs of advance levels.

**c. Special Marketing Assistance Scheme (SMAS) for SC/ST entrepreneurs**

To encourage SC/ST enterprises for availing marketing support for their development and growth, marketing support is provided for the following activities:

1. Visit to International Exhibitions/Trade Fairs/Seminars Abroad
2. Participate in International Exhibitions/Trade Fairs Abroad
3. Visit to Domestic Exhibitions/Trade Fairs
4. Participate in Domestic Exhibitions/Trade Fairs
5. Vendor Development Programmes in partnership with CPSEs
