

DOUBLE ENGINE GOVERNMENT FLOURISHING UTTRAKHAND

The hard work of Chief Minister Pushkar Singh Dhami has written a new chapter in the development saga of Uttarakhand, under the guidance of Prime Minister Narendra Modi. With the assistance of the Central Government, projects worth more than around rupees 1 lakh crore have been approved in the state in the last 5 years. Prime Minister Narendra Modi expressed his dedication towards the development of Uttrakhand while inaugurating and laying the foundation stone of the development projects worth rupees 18000 crores in Dehradun on 4 December. Taking a cue from Prime Minister Modi, chief minister Pushkar Singh Dhami has brought laurels from the general public by taking more than 500 decisions related to welfare of the common man during his five month tenure. This is the wonder of the double engine government that Uttarakhand is moving fastly on the path of development. Chief Minister Pushkar Singh Dhami is doing all possible efforts to make Uttarakhand the best state in the country by year 2025 which is also the silver jubilee year of Uttarakhand formation. The results of these efforts are now quite visible.

RELIEF FROM LANDSLIDE : The landslide problem has ended in Lambagad, which falls on the way to Badrinath. Construction of reinforced earth wall with a height of 27 to 44 meter and rockfall barrier for security of the road has been completed with a fund of rupees 108 crores. This is giving a big relief to the people living around Badrinath shrine and the border areas. With the expansion of 33 km road and duct construction on the road from Brahmpuri to Kaudiyala at National Highway 58, this will become a double lane road. Treatment of landslides has also been done in a 1.1 km area on National Highway at Sancanidhaar, Srinagar and Devprayag.

EASY ROAD TRAFFIC : The national highway from Paonta Sahib to ballupur chowk which is 50 km long will be expanded and which will cost rupees1602 crores. Three major and 43 small bridges, 1 flyover and 15 underpasses have been proposed in this project which will help inter state tourism. A 15 km long ring road of four lanes will be constructed from manoharpur to kangri in Haridwar.

> **"Uttrakhand has youth leadership as Dhami Ji. He has a very experienced team and a range of senior leaders. A team of leaders coming from 30 to 40 years experience which is dedicated for the bright future of Uttarakhand."**
