Discover a World of Global & Local Opportunities at the 10th Vibrant Gujarat Global Trade Show

"I would urge the participants to reach out to each other and to derive the greatest benefit from this Summit. You should also visit the Trade Show and the Exhibition where hundreds of companies will showcase their products and processes."

Hon'ble Prime Minister
Shri Narendra Modi

Gujarat's flagship business and investment platform, the 10th Vibrant Gujarat Global Summit (VGGS) 2022, will welcome leading investors and businesses from all over the world. Held for the first time in 2003, the VGGS has become the quintessential investment platform. Over the years, it has enthused global thought-leaders and policy makers, propelling India's growth story.

As the global economy gets a kick-start after the COVID-19 pandemic lull, the Vibrant Gujarat Global Trade Show(VGGTS) 2022, organised concurrently with the VGGS, is an opportunity that businesses should not miss. It will be an ideal platform to showcase the next generation infrastructure, energy and digital networks, emerging technologies, Start-ups and innovation, electric vehicles and other areas. The Trade Show will display the State's prowess to fulfill the Hon'ble Prime Minister Shri Narendra Modi's vision of an Aatmanirbhar Bharat.

The five-day Vibrant Gujarat Global Trade Show, to be inaugurated by Hon'ble Prime Minister Shri Narendra Modi, will commence from 9th January 2022 and will be a precursor to the Summit. The Trade Show will conclude on 13th January 2022.

The VGGTS 2022 promises to be grander and more extensive than ever before, with a multi-sectoral display spread over 2 lakh sq. mts. The Government of Gujarat has laid emphasis on 15 sectors that would drive the next phase of growth for the State. The major attractions will be Electric Vehicles and International and National Pavilions at the Trade Show. There will also be theme pavilions based on the various flagship programs of the Central and the State governments.
