Ranking is based on objective data and perceptual survey data
Only those universities that submitted their objective data have been ranked. Universities that did not submit their objective data on time or refused to participate have not been ranked
Only those universities that fulfilled the following criteria were considered eligible for participation in ranking:
i. Minimum three batches passed out; ii. Offering full-time postgraduate programme
All scores have been rounded off to one decimal place. This may result in rounding-off errors while adding the parameter-wise score
Those universities not ranked during perceptual survey have got 0.0 marks in perceptual score
A few premier technical universities (IIT-Bombay, IIT-Kharagpur, IIT-Gandhinagar & SPA-Delhi) could not submit their data. Hence, they were ranked on the basis of their previously submitted data and current data available in the public domain
NP = Not Participated
