AI/ML
Data Science
Robotics & AI
Internet of things(IOT)
Cyber Security
FinTech
Cloud & System Administration
Web and Mobile Applications
Bio-Informatics
Intelligent Transport system & Logistics

B. Tech (Bioengineering)
Biochemical Engg
Biomedical Engg
Cell and Tissue Engg
Food BioTechnology

B.B.A.
International Business
Supply Chain Management
Finance

B.A.
Journalism &
Mass Communication

B.Des.
Graphic Design
User Experience Design (UX)

B.C.A
Mobile Application &
Web Technology
Cloud & System Administration

PostGraduate Programs

M.Tech (Computer Science and Engineering)

Integrated M Tech Bioengineering

M.C.A.
Artificial Intelligence and Data Science / Cyber Security

M.B.A.(Digital Business)
Fintech/Marketing Analytics/Supply Chain Management

M.Sc. (Medical Biotechnology)

PhD
Interdisciplinary

Why choose us:

- Future Proof Trendsetting Curriculum
- Latest Teaching Aids
- Strong Industry Connects
- Experiential Learning
- Design Thinking
- Interdisciplinary Outlook and Research
- Highly Accomplished Faculties
- Best International Practices
- Contemporary Students Centric Programs
- Rural Internship
- Infrastructure of International Standard
- Research Project with Global Impact
- Outcome based Education
- Innovation and Entrepreneurship
