10	14	16	9	5	ICFAI FOUNDATION FOR HIGHER EDUCATION, HYDERABAD

The university has also been a pioneer in implementing the National Education Policy (NEP) 2020 under which a four-year undergraduate degree with research has been introduced so that students can avail of a holistic and multidisciplinary education. The plan offers them exit options after each year of the course.

Amity University has been working towards following the NEP mandate with several initiatives and programmes already in place and others in the pipeline. Says Prof. Balvinder Shukla, vice-chancellor, Amity University, Noida, "We have taken several initiatives for the implementation of NEP 2020 in accordance with the UGC, AIU, UP-SHEC, AICTE and other regulatory bodies." The University has done detailed academic planning to facilitate the implementation of NEP 2020 by adopting new systems, processes, designing of curriculum and reframing the assessment plans and pulling optimum resources for the smooth conduct of academic activities from academic year 2021-2022 onwards.

Under its study abroad initiative where students get to move to three different countries, a few new courses have been started recently. These include BA in applied psychology (three continents), BA in international relations (three continents), and MA in international relations (three continents). Other new courses include a diploma in clinical and applied genetics, diploma in counsel-
