even in France and Belgium and Norway and many of the occupied countries of Europe, in spite of growing resistance movements. We had seen how the men of Vichy had (in Pertinax's words) 'racked their brains to palm off shame as honour, cowardice as courage, pusillanimity and ignorance as wisdom, humiliation as virtue, and wholehearted acceptance of the German victory as moral regeneration.' If that had been so in France, that country of revolution and fiery patriotism, it was certainly not unlikely among similar classes in India, where the mentality of collabora-

tion had flourished for so long under British patronage and brought so many rewards. Indeed it was highly likely that chief among those who might collaborate with the invader would be many of the persons who had been collaborating with British rule and who proclaimed their loyalty to that rule from the house tops. They had perfected the art of collaboration and would find no difficulty in holding on to that basis even though the superstructure changed. Arid if subsequently there was yet another change of that superstructure, well they would readapt themselves again as others of their kind were doing in Europe. When
