there was no such desire and the idea was distasteful. I wanted to keep as far away from England as possible, and I had no wish even to discuss India's problems with Englishmen. And then I remembered some friends and softened a little, and I told myself how wrong it was to judge a whole people in this way. I thought also of the terrible experiences that the English people had gone through in this war, of the continuous strain in which they had lived, of the loss of so many of their loved ones. All this helped to tone down my feelings, but that basic reaction remained. Probably time and the future will lessen it and give another perspective. But if I, with all my associations with England and the English, could feel that way, what of others who had lacked those contacts ?

India's Sickness: Famine

India was very sick, both in mind and body. While some people had prospered during the war, the burden on others had reached breaking point, and as an awful reminder of this came famine, a famine of vast dimensions affecting Bengal and east and south India. It was the biggest and most devastating famine in India during the past 170 years of British dominion, comparable to
