court martial of some of its officers aroused the country as nothing else had done, and they became the symbols of India fighting for her freedom. They became also the symbol of unity among the various religious groups in India, for Hindu and Moslem and Sikh and Christian were all represented in that army. They had solved the communal problem amongst themselves, and so why should we not do so?

We are on the eve of general elections in India and these elections absorb attention. But the elections will be over soon—and then? The coming year is likely to be one of storm and trouble, of conflict and turmoil. There is going to be no peace in India or elsewhere except on the basis of freedom.
