that nature. There is a strong lyric element and poetry seems to be an integral part of life, full of meaning and significance. It was frequently recited. Reading the Greek drama one comes across many customs and ways of thought and life which suddenly remind- one of old Indian customs. Nevertheless Greek drama is essentially different from the Sanskrit.

T h e essential basis of the Greek drama is tragedy, the problem of evil. Why does man suffer? Why is there evil in the world? T h e enigma of religion, of God. What a pitiful thing is man, child of a day, with his blind and aimless strivings against all-powerful fate—'The Law that abides and changes not, ages l o n g . . . . ' M a n must learn by suffering and, if he is fortunate, he will rise above his striving:

Happy be, on the weary sea
Who hath fled, the tempest and won the haven.
Happy whoso has risen, free,
Above his striving. For strangely graven
Is the art of life that one and another
In gold and power may outpass his brother.
And men in their millions float and flow.
