barren and sterile from the point of view of a poetic and romantic approach to this language. There is hardly any translation in English or any other foreign language from the Sanskrit which can be called worthy of or just to the original. Both Indians and foreigners have failed in this work for different reasons. That is a great pity and the world misses something that is full of beauty and imagination and deep thinking, something that is not merely the heritage of India but should be the heritage of the human race.

The hard discipline, reverent approach, and insight of the English translation of the Authorized Version of the Bible, not only produced a noble book, but gave to the English language strength and dignity. Generations of European scholars and poets have laboured lovingly over Greek and Latin classics and produced fine translations In various European languages. And so even common folk can >hare to some extent in those cultures and, in their drab lives, have glimpses of truth and loveliness. Unfortunately, this work has yet to be done with the Sanskrit classics. When it will be done, or whether it will be done at all, I do not know. Our scholars grow in numbers and grow in scho-
