of not being popularly spoken, I do not know. Even in the days of Kalidasa it was not the people's language, though it was the language of educated people throughout India. So it continued for centuries, and even spread to the Indian colonies in south-east Asia and central Asia. There are records of regular Sanskrit recitations, and possibly plays also, in Cambodia in the seventh century **A.C**. Sanskrit is still used for some ceremonial purposes in Thailand (Siam). In India the vitality of Sanskirt has been amazing. When the Afghan rulers had established themselves on the throne of Delhi, about the beginning of the thirteenth century, Persian became the court language over the greater part of India and, gradually, many educated people took to it in preference to Sanskrit. The popular languages also grew and developed literary forms. Yet in spite of all this Sanskrit continued, though it declined in quality. Speaking at the Oriental Conference held in 1937 at Trivandrum, over which he presided, Dr. F. F. Thomas pointed out what a great unifying force Sanskrit had been in India and how widespread its use still was. He actually suggested that a simple form of Sanskrit, a kind of basic Sanskrit, should be encouraged as a common all-India language to-day! He quoted,
