able marks upon them, even as the ethical ideals of Christianity affected Europe though it may not pay much attention to its dogmas, and as Islam's human, social, and practical approach influenced many people who were not attracted by its religious forms and beliefs.

The Aryan faith in India was essentially a national religion restricted to the land, and the social caste structure it was developing emphasized this aspect of it. There were no missionary enterprises, no proselytization, no looking outside the frontiers of India. Within India it proceeded on its own unobtrusive and subconscious way and absorbed new-comers and old, often forming new castes out of them. This attitude to the outside world was natural for those days, for communications were difficult and the need for foreign contacts hardly arose. There were no doubt such contacts for trade and other purposes but they made no difference to India's life and ways. The ocean of Indian life was a self-contained one, big and diverse enough to allow full play for its many currents, self-conscious and absorbed in itself, caring little for what happened beyond its boundaries. In the very heart of this ocean burst forth a new spring, pouring out a fountain of
