too full of the problems of to-day. Those present-day world problems filled and troubled Malraux also, and with his powerful and analytical mind he sought light wherever he could find it in the

past or in the present—in thought, speech, writing, or, **best** of all, in action, in the game of life and death.

For Malraux the question was obviously not just an academic one. He was full of it and he burst out with it as soon as we met. It was a question after my own heart, or rather the kind of question that my own mind was frequently framing. But I had no satisfactory answer to it for him or for myself. There are answers and explanations enough, but they seem to miss the core of the problem.

It is clear that there was no widespread or violent extermination of Buddhism in India. Occasionally there were local troubles or conflicts between a Hindu ruler and the Buddhist *Sangha,* or organization of monks, which had grown powerful. These had usually a political origin and they did not make any essential difference. It must also be remembered that Hinduism was at no time wholly displaced by Buddhism. Even when Buddhism
