The *Toga* system of Patanjali is essentially a method for the discipline of the body and the mind leading up to psychic and spiritual training. Patanjali not only crystallized this old system but also wrote a famous commentary on Panini's Sanskrit grammar. This commentary, called the 'Mahabhashya' is as much of a classic as Panini's work. Professor Stcherbatsky, of Leningrad, has written that 'the ideal scientific wrok for India is the grammar of Panini with the Mahabhashya of Patanjali.'*

Yoga is a word well known now in Europe and America, though little understood, and it is associated with quaint practices, more especially with sitting Buddha-like and gazing on one's navel or
