Majapahit towards the end of the fifteenth century. But within a few years, in 1511, the Portuguese, under Albuquerque, came and took possession of Malacca. Europe had reached the Far East through her newly developing sea power.

The Influence of Indian Art Abroad

These records of ancient empires and dynasties have an interest for the antiquarian, but they have a large interest in the history of civilization and art. From the point of view of India they are particularly important, for it was India that functioned there and exhibited her vitality and genius in a variety of ways. We see her bubbling over with energy and spreading out far and wide, carrying not only her thought but her other ideals, her art, her trade, her language and literature, and her methods of government. She was not stagnant, or standing aloof, or isolated and cut off by mountain and sea. Her people crossed those high mountain barriers and perilous seas and built up, as M. R6n6 Grousset says, 'a Greater India politically as little organized as Greater Greece, but morally equally harmonious.' As a matter of fact even the political organization of these Malayasian states was of a high
