in, they do not fit this pattern. In the United States, negroes, though they may be 100 per cent American, are a race apart, deprived of many opportunities and privileges, which others have as a matter of course. There are innumerable worse examples elsewhere. Only Soviet Russia is said to have solved its problem of nationalities and minorities by creating what is called a multi-national state.

If these difficulties and problems pursue us even to-day with all our knowledge and progress, how much harder they must have been in the ancient days when the Indo-Aryans were evolving their civilization and social structure in a land full of variety and different types of human beings. The normal way to deal with these problems then and later was to exterminate or enslave the conquered populations. This way was not followed in India, but it is clear that every precaution was taken to perpetuate the superior position of the upper groups. Having ensured that superiority, a kind of multiple-community state was built up, in which, within certain limits and subject to some general rules, freedom was given to each group to follow its avocation and live its own life in accordance with its own
