the British Government or his own people. He played a prominent part in the Swadeshi movement that swept through Bengal in the first decade of the twentieth century, and again when he gave up his knighthood at the time of the Amritsar massacre. His constructive work in the field of education, quietly begun, has already made Santiniketan one of the focal points of Indian culture. His influence over the mind of India, and specially of successive rising generations, has been tremendous. Not Bengali only, the language in which he himself wrote, but all the modern languages of India have been moulded partly by his writings. More than any other Indian, he has helped to bring into harmony the ideals of the east and the west, and broadened the bases of Indian nationalism. He has been India's internationalist par excellence, believing and working for international co-operation, taking India's message to other countries and bringing their message to his own people. And yet with all his internationalism, his feet have always been planted firmly on India's soil and his mind has been saturated with the wisdom of the Upanishads. Contrary to the usual course of development, as he grew older he became more radical in his outlook and views. Strong individualist
