state, and his disbandment of religious orders—that popularity waned so far as the more orthodox Moslems were concerned and a silent resentment against his modernist policy rose among them. This very policy, however, made him more popular among the younger generation of both Hindus and Moslems. The Ataturk partly destroyed the dream structure that had gradually grown up in the Indian Moslem mind ever since the days of the Mutiny. Again a kind of vacuum was created. Many Moslems filled this vacuum by joining the nationalist movement, many had of course already joined it previously; others stood aloof, hesitant and doubtful. The real conflict was between feudal modes of thought and modern tendencies. The feudal leadership had for the moment been swept away by the mass Khilafat movement, but that movement itself had no solid basis in social and economic conditions or in the needs of the masses. It had its centre elsewhere, and when the core itself was eliminated by the Ataturk the superstructure collapsed, leaving the Moslem masses bewildered and disinclined to any political action. The old feudal leaders, who had lain low, crept back into prominence, helped by British policy, which had always supported them. But
