raised: Be not afraid. Was it so simple as all that? Not quite.

And yet fear builds its phantoms which are more fearsome than reality itself, and reality, when calmly analysed and its consequences willingly accepted, loses much of its terror.

So, suddenly, as it were, that black pall of fear was lifted from the people's shoulders, not wholly of course, but to an amazing degree. As fear is close companion to falsehood, so truth follows fearlessness. The Indian people did not become much more truthful than they were, nor did they change their essential nature overnight; nevertheless a sea-change was visible as the need for falsehood and furtive behaviour lessened. It was a psychological change, almost as if some expert in psycho-analytical methods had probed deep into the patient's past, found out the origins of his complexes, exposed them to his view, and thus rid him of that burden.

There was that psychological reaction also, a feeling of shame at our long submission to an alien rule that had degraded and humiliated us, and a desire to submit no longer whatevef the consequences might be.

We did not grow much more truthful perhaps than we had
