RAJASTHAN'S CHIRANJEEVI HEALTH SCHEME

A BEACON OF HOPE FOR A HEALTHIER INDIA

Chief Minister Ashok Gehlot in November 2022, made a heartfelt appeal to Prime Minister Narendra Modi during his visit to Mangarh Dham in Banswara, urging the nationwide implementation of Rajasthan's Chiranjeevi Scheme.

This appeal gained momentum as notable figures like Rahul Gandhi openly praised the scheme during his Bharat Jodo Yatra in December 2022. The National Health Authority (NHA) CEO, Ram Sevak Sharma, declared the Chiranjeevi Scheme an excellent initiative on January 18 of the same year. This recognition sparked discussions across the country about the scheme's impact.

CHIRANJEEVI HEALTH SCHEME: RAJASTHAN'S HEALTHCARE REVOLUTION: A DATA-DRIVEN OVERVIEW OF THE STATE'S REMARKABLE PROGRESS

Before delving into the details, let's examine the scheme's significant benefits through some compelling data. Cashless treatments exceeding Rs 5,434 crore have been provided till date. With a health insurance coverage of Rs 25 lakh per family, Rajasthan leads the nation. Over 1,723 empanelled government and private hospitals in the state offer treatment under this scheme. Covering around 1,806 diseases, Rajasthan has established itself as a leader in healthcare. This progress is evident in the statistics, as the National Family Health Survey-5 reveals that health insurance coverage in Rajasthan has risen from 19% to an impressive 88% within just six

IT MAKES ME HAPPY TO SEE PEOPLE HEALTHY

"A large number of people are getting recovered by taking the benefit of the Chiranjeevi Health Insurance Scheme, and this is a matter of joy for all of us. Lakhs of people are getting free treatment in this scheme. Rajasthan ranks first in the country in health insurance coverage due to this scheme. Those people who have not registered themselves till now in the Chiranjeevi Scheme should get registered so that they can get cashless treatment if needed. Today, various welfare schemes of the Rajasthan Government are being discussed in the entire country. The Central Government should also adopt these schemes of the state."

— **Ashok Gehlot,** *Chief Minister, Rajasthan*
