Price Rs 10.89-19.99 lakh (ex-showroom)

KIA SELTOS

The Kia Seltos facelift retains the overall look of the older car, but has a new front end—with a different grille, headlamps and bumpers—which looks sportier. The rear features updated tail lamps along with a full-width LED strip and dual-tip exhausts (turbo petrol only). The cabin gets a facelift with a panoramic sunroof, dual-zone climate control, ventilated front seats and a lot more. Kia has also added Level-2 ADAS to the Seltos, which gives the SUV advanced safety features, including automatic emergency braking.
