

Divya®

The proccess of animal and human trials was followed to create, for the first time, research and evidence-based medicine. By inducing disease in the lungs of rats with the smoke of bidi-cigarettes etc., then completely curing the specimens in just 6 weeks, we have proven that lungs, even in the worst condition, could be made healthy.

Swasari Gold and Bronchom– Using these medicines and yoga, we have treated patients with 90% infected lungs due to Corona or any other cause. Take 1 tablet of Swasari Gold daily on an empty stomach. Licking Swasari Gold powder with honey has special benefits. Sucking Bronchom after meals multiplies its benefits. Taking both these medicines with Swasari Kwath is immensely beneficial.

Swasari Pravahi- Very effective medicine for cough, cold, asthma, lung, bacterial and viral infections.
