> SANJEEV KUMAR VASAL

But it is not just academic excellence that Mr. Vasal is known for. His commitment to holistic development, nurturing young minds and shaping them into well-rounded individuals, is what sets him apart from the rest. Through his leadership, the Vasal Education has become a place where students not only excel academically but also develop life skills, leadership qualities, and a strong sense of social responsibility.

THE INCEPTION AND BEYOND

With a steadfast determination, Mr. Vasal embarked on his journey to establish his family business in 1981. But as he reached the pinnacle of success, he sought to give back to society in a way that could touch the lives of many - through education. Thus, the Vasal Education was established, which has since expanded in various directions to promote education and create a meaningful impact on the community.

In 2005, the Vasal Education laid the groundwork for building good schools, and in 2006, the first Cambridge International School was established in Dasuya, Mr. Vasal's hometown. With a vision to provide quality and affordable education to all who seek an international standard of learning, this was just the beginning of a long and rewarding journey. In 2009 and 2012, GEMS Cambridge International School in Hoshiarpur and Ivy World School in Jalandhar were established, respectively, under the aegis of the Vasal Education, all thanks to Mr. Vasal's relentless efforts.

CSR

Mr. Vasal's commitment to education as a means of serving society is commendable. His mission to uplift the community through education has led to the enrollment of more than 8500 students across different branches including nearly 300-400 children coming from villages. The Vasal Education has also adopted students who could not afford the fees and provided them with free education whenever required.

Recently, Mr. Vasal along with the group's CEO Raghav Vasal presented an award of Rs 101000 to a student named Anshul Rana for his commendable academic performance.

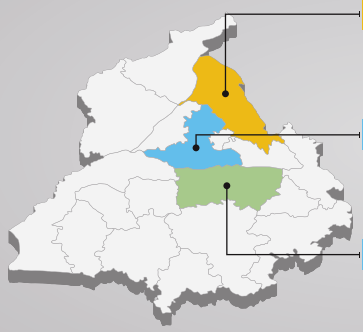

Furthermore, special discounts are also provided to the children of defense, police, paramilitary, girl children and corporate personnel.

Amidst the pandemic, the Vasal Education displayed its unwavering commitment to its staff by retaining all of its teachers and refraining from any salary reductions.
