SPREADING HIS WINGS

BECAUSE the diversified JSW Group, with overall revenues of $22 bn (Rs 1.8 lakh crore), is firming up its presence in several growth sectors of the economy besides its flagship area of steel—energy, infrastructure, cement, paints, venture cap and sports. The group is powered by a 40,000-strong employee base

BECAUSE in FY23, JSW Steel posted its highest-ever crude steel production at 24.2 mt—and a concomitant record in steel sales, at 22.39 mt, shipped to 100+ countries. The company had a net profit after tax of Rs 4,139 crore and, at last count, revenues from operations stood at Rs 1.65 lakh crore

FIT BIT **A keen fitness enthusiast, the lean and athletic Jindal is a gym regular and also likes to hit the badminton court**

BECAUSE JSW Sports, launched in 2012, has become the incubator for Indian sporting talent. Its name thus is associated with champion teams like Bengaluru FC, Delhi Capitals and Haryana Steelers, as well as athletes like Neeraj Chopra, Bajrang Puniya and Sakshi Malik, who have gained world recognition for their skills and spirit. In 2022, JSW Sports entered the sports sponsorship consulting business and has already brokered Rs 250 crore worth of deals
