FIRST AMONG BANKERS

8 UDAY KOTAK, 64

MD & CEO, KOTAK MAHINDRA BANK

BECAUSE he has built Kotak Mahindra Bank as one of the finest financial institutions of India, with significant assets under management, which are currently worth Rs 4.21 lakh crore. Global institutions, too, have entrusted over $8 billion (over Rs 65,700 crore) in alternative assets

BECAUSE the Kotak Mahindra Group is focused on sustainability and resilience at a time of global turbulence in finance with a fortress balance sheet and the highest capital adequacy ratio and CASA (current account savings account) ratios at 23.3 per cent and 53 per cent, respectively. Kotak Mahindra Bank's asset quality reflects the lowest credit costs and non-performing asset ratios in the sector
