

32 HARISH SALVE, 68

SUPREME COURT LAWYER, QUEEN'S COUNSEL, THE UK

WISE COUNSEL

BECAUSE he is the top legal counsel for the Union government. From demanding a probe against Hindenburg Research, whose damaging report on the Adani Group the Opposition used as ammo against the Modi government, to questioning the SC's role in adjudicating the demand for legalising same-sex marriages, Salve has provided legal muscle to the Centre's arguments

BECAUSE when the cause matters, he doesn't care about the fee—from appearing for Bilkis Bano at the behest of the NHRC, representing India in the Kulbhushan Jadhav spy case to arguing for Uphaar cinema fire victims

ON A DIFFERENT NOTE
The cosmopolitan Salve is passionate about music, and plays the piano

BECAUSE he is one of India's most sought-after lawyers, with a client list that includes Reliance, ITC, Tata, Adani, Vodafone and Meta

ON A BULL RUN

BECAUSE this duo of brothers has created one of the largest and most efficient online stock brokering platforms in India. In just over a decade, Zerodha's valuation has gone up to nearly Rs 30,000 crore

BECAUSE their fintech firm has captured one-fifth of the market. It already caters to some 12 million customers, of whom about 2.5 million, or 20 per cent, actively trade on futures

EARLY LEARNER
While Nithin got his bachelor's degree in engineering from the Bangalore Institute of Technology, younger brother Nikhil didn't even complete his matriculation, dropping out of school in Class 10 and trying his hand at stock trading while still a teenager

BECAUSE through the Covid-induced lockdown and after, they have expanded their footprint in the brokerage space. With attractive service charges, Zerodha is increasing both its customer base and its profit margins
