ALIA BHATT, 30

ACTRESS

Box Office Darling

BECAUSE she is among the few actresses whose thespian skills lure audiences to the cinemas and yield rich dividends at the box office. *Gangubai Kathiawadi*'s (2022) domestic haul of Rs 126 crore can largely be attributed to Alia's stellar performance

BECAUSE she is one of the biggest and busiest celebrity endorsers, with as many as 21 brands up her sleeve currently. She was named global brand ambassador of the house of Gucci this year and also debuted at the Met Gala. Her celebrity brand valuation per Kroll is $102.9 million, making her the leading actress on the list

BECAUSE she is not afraid to bet on stories that deviate from conventional Bollywood themes. Her maiden film as a producer, *Darlings* (2022), is a testament to her daredevilry

SISTER ACT
Alia's elder sister, Shaheen, is not only her closest friend but also the chief collaborator at her production company, Eternal Sunshine

COMING SOON
