GRAVITY GROUP

Dr. Meehir Kulkarni
The Man with a Vision

Here is a man who is passionate about health who decided to make it his business to improve people's lives. Starting with health, the perceptive Meehir Joshi has shaped his enterprise to extend into areas that improve and enhance the lifestyles of customers.

Chairman Dr. Meehir Kulkarni, was born on 4th June 1987. Establishing the Gravity Group in the year 2008, he first ventured into the Fitness Industry. Since then, his Gravity Fitness Club has flourished across Indian cities and has expanded abroad. The Gravity Mr. Universe Contest was a huge success and made the Fitness Franchise even popular with celebrities like the Great Khali, Ronnie Coleman and Flex Wheeler.

His interests and constant efforts of enlarging the Gravity Group Empire, led Dr. Kulkarni to form Gravity infrastructure. Going beyond Buildings, Landscapes, Sky Scrapers and more, the group believes in development with quality, committed to an unending quest to perfection. The need of the hour is sustainable infrastructure and that is what Gravity Infra is all about. Understanding the climate change problem, they follow a policy of responsible infrastructural development, while preserving the environment. Dr. Kulkarni is also the Director of Hasber International, which initiated the revolutionary First Mobile Concrete Batching Plant in India.

Gravity Entertainment is another part of the diverse Gravity Group. Dr. Kulkarni rolled out the company by producing the Marathi Feature Film, A.B.C with renowned actors like Suniel Shetty and Tamanna Bhatia. The movie was nominated in 10 categories at Nashik International Film Festival and was highly appreciated by the audience. Film Production and Finance are their key focus areas in the entertainment segment. They are planning a slew of projects in Marathi and Hindi Film industry.

Gravity believes in development with Quality, creating Premium Properties with the latest facilities and the Finest Food experience. With this thought, Gravity Hospitality has launched The Gravity Lifestyle Restaurant in Koregaon Park, Pune. A perfect example of Luxury and Perfection, it is a curated with passion to give guests the most unique experience combining food, ambience, drinks and nightlife.

This hard working entrepreneur has an Honorary Doctorate from Rajasthan University for his philanthropy. Under the aegis of the Gravity Foundation, the group has been consistently contributing for the betterment of society. Donation of Free Ambulance Services to Sadguru Shree Shankar Maharaj Math Pune, re-development and advancement of Balhegaon in Aurangabad and d Donations for many other causes have been their highlights.

Dr. Kulkarni has been a recipient of numerous awards and recognitions. He holds the Pune Times Leadership Award, Udyog Bhushan Puraskar, Times Power Men Award and the Pride of Maharashtra amongst others. He is also the Chairman of BVCI- Board of Veteran Cricket India, sharing his vision with The President Hon. Shri Nitin Gadkari Sir. The Road Safety Cup, a cricket league played amongst the PMC and Pune Police Officials for a cause, was one of many under his leadership.

Trust this man of integrity and achievements to achieve more. The Gravity Group is firmly rooted to the earth as it soars into the skies.
