HOT TOPIC | TARGET 2024: WHO WILL WIN THE SOUTH?

"In southern India, the politics based on primary education, health and other real social and economic challenges is a completely different ground"

MANICKAM TAGORE
Congress leader and MP

"With delimitation, performing states are going to be penalised, when population control has been part of the performance...a consensus must be evolved on delimitation"

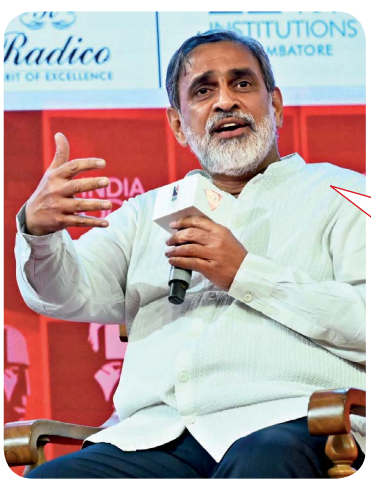

K.R. SURESH REDDY
BRS leader and MP

"The BJP's breakout performance in the South will happen in 2024 for several reasons. It'll be a combination of development work that Modiji has done and the cultural renaissance"

K. ANNAMALAI
President of Tamil Nadu BJP

IN FOCUS | NEW BRIDGES TO THE GULF

"Remittances are the mainstay of our relations with the Gulf but the challenge is for us to convert it into trade and investment"

VENU RAJAMONY
OSD (External Cooperation), Government of Kerala

"The Gulf region is very important to us. The major pillars are: trade & commerce, investment, energy & food security, maritime security, defence and our diaspora. Post-pandemic, many Indians are returning to the Gulf"

DR AUSAF SAYEED
Secretary (CPV & OIA), Ministry of External Affairs
