Film Tourism Promotion Policy 2022

Rajasthan is no stranger to stardom. It is not only one of the most popular tourist destinations in the world but state is also one of the most widely captured on cinema. Ranging from blockbusters with massive budgets to documentaries made on a shoestring, Rajasthan offers a vast range of locations and facilities for every kind of filmmaker and genre of cinema. In fact, it has been a favoured location to both Indian and international filmmakers like Christopher Nolan, Wes Anderson, Vidhu Vinod Chopra, Karan Johar and more!

Unveiled in July 2022, the Rajasthan Film Tourism Promotion Policy 2022 is all set to promote Rajasthan as a major film destination in India and give a big boost to tourism in the state. According to the Government of Rajasthan, the new Policy is one of the best policies offered by any state across India as far as incentives and support assurances are concerned. Intending to attract film producers not only from India but internationally as well, the state has come out with comprehensive and lucrative provisions under the policy.

The Rajasthan film tourism promotion policy now has provisions to provide a subsidy of up to Rs 2 crore for projects qualifying the laid down criteria of the policy, which includes a certain threshold of production cost and the use of a minimum of 15 percent local supporting staff in film production activity. In addition to the incentive of Rs 2 crore, the policy also mentions providing an exemption from all fees and charges at all monuments and locations under Department of forest, irrigation, PWD, Local Bodies, Police and Devasthan, and all state government locations for feature film shooting etc.

To make the process hassle-free and digital, under the new policy, the state government has created a digital ecosystem for issuing permission to shoot within 15 days of application. In addition to incentives and a single-window clearance system, the Policy mentions that circuit houses, dak bungalows and government-owned guest houses located in the state will be made available to film shooting crews on pre-booking basis at official rates. Apart from that fifty percent discount on accommodation at Rajasthan Tourism Development Corporation and Rajasthan State Hotel Corporation properties shall be made available subject to a maximum discount of Rs 10 lakh. The Policy contains provision for establishing Film City under RIPs-2019 and a Film City in due course.
