Revitalization of the Saraswati River

The campaign to bring the Saraswati River back to life has been intensified. Now, every year the Saraswati Mahotsav is celebrated here like the Gita Jayanti Festival. Adi Badri, the origin of the Saraswati River, is being developed as a religious place. A provision has also been made for the formation of the Saraswati Development Board, including special budget for the revitalization of pilgrim spots along its banks.

Adventure Tourism

Panchkula is the gateway to Himachal Pradesh and Haryana. In view of the huge potential of adventure tourism here, a lot of efforts are being made to translate the potential into economic progress and employment generation.

Various adventure sports including parasailing, paramotoring and jet scooter in Tikkartal, Morni Hills region which will not only give boost to tourism but also generate numerous employment opportunities. Along with the establishment of Nakshatra Vatika, Sugandh Vatika and Rashivan in about 20 acres along the Panchkula-Morni Road, other destinations including Tikkartal, Morni Hills, Damdama Lake have also been identified where adventure sports will be started soon.
