

FIRST OF ITS KIND UNIQUE INITIATIVES BY THE CHHATTISGARH GOVERNMENT

dwellers in the forest region, remuneration for tendu leaf collection has been increased from 2500 rupees to 4000 rupees per standard bag. Additionally, successful efforts have been made to increase the income of MFP collectors due to the purchase of 67 types of minor forest produce at support prices and value addition.

The "Rajiv Gandhi Gramin Bhoomiheen Krishi Mazdoor Nyay Yojana"

Through the Rajiv Gandhi Gramin Bhoomiheen Krishi Mazdoor Nyay Yojana, the state has successfully brought positive results. Providing annual assistance of 7,000 rupees to nearly 6 lakh families. This has also aided in lifting people out of poverty.

Unemployment Allowance Scheme and Exam Fee Waiver

Chhattisgarh is one of the states in the country with a low unemployment rate. The state government is continuously working towards creating new employment opportunities and skill development for the youth. In addition, unemployed youth who have not yet found employment are provided with an unemployment allowance of 2500 rupees per month to help them achieve financial stability.

Pro-People Thinking Increasing Popularity

The Chhattisgarh government's farmer-friendly and welfare schemes have brought tremendous prosperity to both urban and rural communities, boosting Chief Minister Baghel's popularity. Additionally, improvements in civic amenities have created a favorable environment in urban areas, reflecting positively on the Bhupesh government's popularity. What's noteworthy is that Chief Minister Baghel consistently emphasizes Chhattisgarh's pride, resonating with people, which is significantly boosting his popularity. He speaks the language of the people and addresses their concerns, leading to a remarkable increase in his popularity.

40 lakh people have risen above the poverty line

It is noteworthy that, thanks to various Nyay Yojanas initiated by the Chhattisgarh government, over the past five years, 40 lakh people in the state have escaped multidimensional poverty. The Nyay Yojanas of the Chhattisgarh government have proven to be highly effective in alleviating poverty. Over the past five years, the Chhattisgarh government has provided direct assistance totaling two lakh crore rupees to beneficiaries from all sections of society, including rural residents, farmers, livestock keepers, women, youth, and forest produce collectors, through its Nyay Yojanas such as the Rajiv Gandhi Kisan Nyay Yojanas, Godhan Nyay Yojana, Rajiv Gandhi Gramin Bhoomiheen Krishi Mazdoor Nyay Yojana, Unemployment Allowance Scheme, Rajiv Yuva Mitan Club, and others. As a result, people's lives have undergone a transformation, and they have become economically prosperous.

Due to government policies and justice schemes, the economy has seen a 56% growth in its size.

Thanks to the Nyay Yojanas of the Chhattisgarh government, the income per person has increased from 88,793 rupees to 1,33,898 rupees in just over five years. During this period, Chhattisgarh's GDP has grown from 3,27,106 crores to 5,09,043 crores rupees. Despite economic activities being affected due to the ongoing COVID-19 pandemic from March 2020 for two consecutive years, the size of the economy has witnessed a 56% growth due to the state government's policies and justice schemes. In the year 2022-23, Chhattisgarh has outperformed the national average in agriculture, industry, and service sectors in terms of development rate.
