Tipai, Tipeshwar Wildlife Sanctuary, Maharashtra

Designed with the natural landscape in mind using local materials, Tipai embodies the joys of wildlife beyond the usual safaris and sightings. Offering a personalised, bespoke experience to guests, the 34-acre lodge has four poolside residencies and 11 forest villas. Located along the buffer zone of the wildlife sanctuary, it boasts views of a well-conserved landscape. Guests going on private safaris are provided binoculars to enjoy the diverse wildlife and can partake in sundowners at the machaan. Chef's delights include specially curated meals using locally sourced, seasonal ingredients. And if a sudden matter of urgency needs attention, one can use the state-of-the-art boardroom to attend to it.
