The Untamed Bandhavgarh, Bandhavgarh, Madhya Pradesh

Surrounded by the untrammelled beauty of Bandhavgarh National Park, The Ultimate Travelling Camp's luxury tented retreat is an ideal base to explore one of India's prettiest forests. Located on 16 acres of private land opposite the reserved core zone of the forest, each luxury tent (they have 10) is tastefully designed and comes fully equipped with amenities for a serene stay away from home (including a writing desk with stationery). Wake up to birdcalls and then head out to a safari in prime tiger terrain. After the day's big cat adventures, rejuvenate in the spa or gaze out into the wilderness from the gazebo, play a round of billiards before enjoying an al fresco meal at the camp's multi-cuisine restaurant. The camp also offers butler services and curated journeys.
