4.6 MN
No. of castes in the 2011 Socio Economic and Caste Census

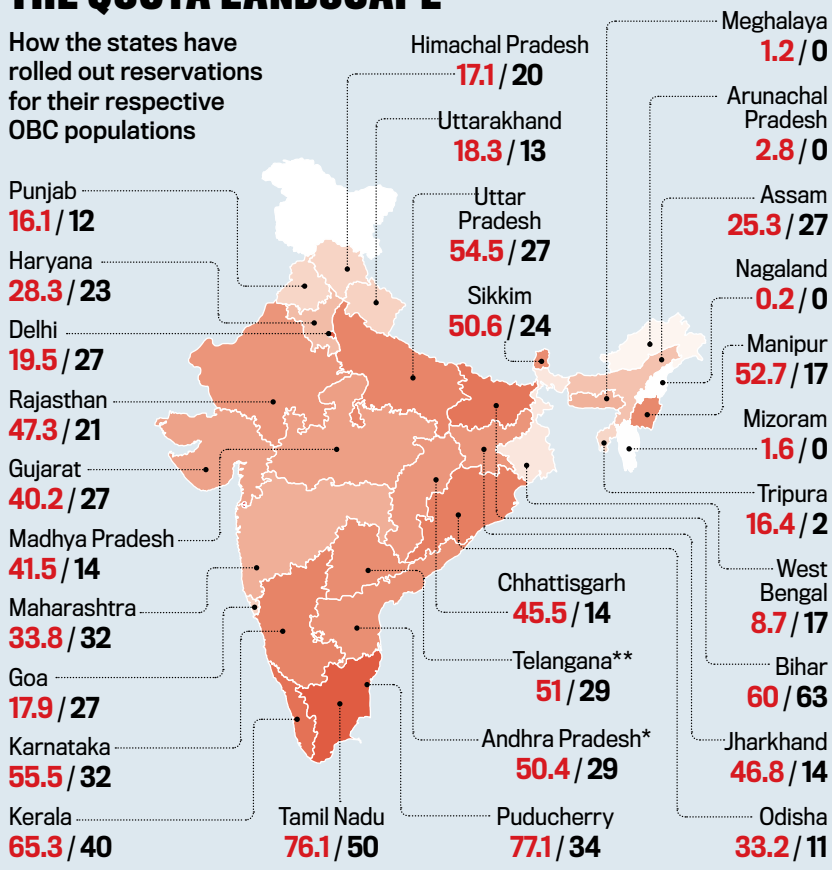

2,479
No. of OBC castes as per the Central List

3,150
No. of OBC castes as per lists of states and UTs

THE INDIAN RESERVATIONS PIE

THE QUOTA LANDSCAPE

How the states have rolled out reservations for their respective OBC populations

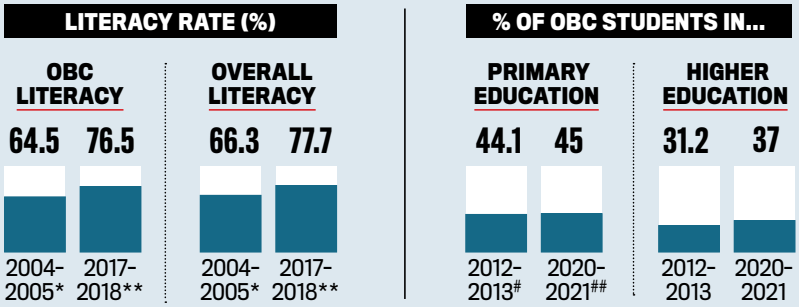

■ Share of OBC population (%) / ■ OBC reservation (%)

Note: Since the inclusion of the 10 per cent EWS quota, most states have breached the 50 per cent cap on reservations

*Sources: National Sample Survey 2011-12, *of undivided Andhra Pradesh, **from Telangana government website; state government data*

THE LEARNING CURVE

While the OBC's literacy rate is at par with that of the overall population, their share in higher education remains an area of concern

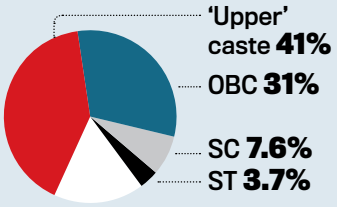

*Sources: *Employment and Unemployment Situation Among Social Groups; **Household Social Consumption on Education in India; #Statistical Yearbook of India; ##The United District Information System for Education Plus; All India Higher Education Survey, 2021*

THE SOCIAL GAP

THE ECONOMIC DISPARITY

According to a 2018 study by the Savitribai Phule Pune University, Jawaharlal Nehru University and Indian Institute of Dalit Studies, upper caste dominance in the country's assets is evident

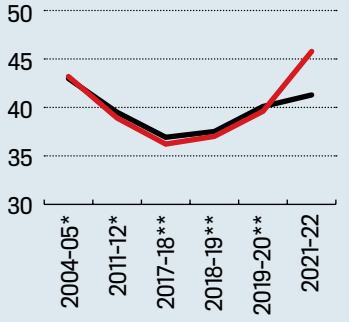

AN UNFULFILLED BENEFIT

In central government jobs, OBC employees account for only 20 per cent of the total despite 27 per cent quota

CATEGORY	% OF OBC EMPLOYEES
Group A	17
Group B	16
Group C (Excluding safai karamchari)	23
Group C (Safai karamchari)	20
Total	**20**

MOVING AHEAD IN WORK

The labour force participation rate# of the OBCs surpassed the national average in 2021-22

OBC (%) — Total population (%)
