KIIFB

A PATHFINDER FOR KERALA'S INFRASTRUCTURE DEVELOPMENT

DR. K. M ABRAHAM

Left Democratic Front led by Pinarayi Vijayan made its signature in the development sector of Kerala by channelling Kerala Infrastructure Investment Fund Board (KIIFB) for raising mega fund for the development of the state when the Union government chocked the state with restrictions. Dr K.M. Abraham, Chief Executive Officer KIIFB narrates how KIIFB functions to realise and rebuild Kerala in the time of several central agencies throttle the state with anti-Kerala attitudes. The achievements of KIIFB during short span of time helped the state to gain faster growth rate within seven and half years. Iy's first time Kerala is making huge investment in infrastructural development of the state with special focus on core sectors.

Q: How Kerala Infrastructure Investment Fund Board emerged as role model in India catalysing infrastructure growth of Kerala?

The Kerala Infrastructure Investment Fund Board (KIIFB) has successfully tapped into diverse financing avenues to meet the increasing demands of the state's infrastructure requirements. KIIFB has become renowned for its ability to secure alternative funding sources, beyond the traditional state budget, to finance infrastructure development in Kerala. This has enabled KIIFB to fuel the State's progress, contributing to its reputation as a model for infrastructure development in India.

The formation of KIIFB marked a significant milestone in Kerala's infrastructure development journey. Established in 1999, KIIFB was conceptu-
