

▲ THE FUTURE OF BANKING: BUILDING A ROBUST FINANCIAL ECOSYSTEM

"A lot of the lending by Indian banks has moved away from corporate to retail. Global uncertainty is holding corporates back.... Why does India have a net trade deficit with China of $100 billion a year?"

UDAY KOTAK
Founder, Kotak Mahindra Bank

"What happens in India on health, food security and other sectors would define what happens in the rest of the world"

ALEX ELLIS
British High Commissioner to India
