

THE UNPRECEDENTED SCALE OF NARCOTICS SEIZURES IN THE PAST ONE YEAR SUGGESTS INDIA'S WEST COAST HAS BECOME A HOT DESTINATION FOR INTERNATIONAL DRUG TRAFFICKERS

**APR. 2022**

**Pipavav port**
**90 kg**
**₹ 450 crore**
**Iran**

Bales of thread were soaked in a solution containing heroin, dried and packed in bags for export. The container arrived at the port in December 2021. The heroin was detected after forensic analysis of four bales

**OCT. 2022**

**Off Gujarat coast**
**50 kg**
**₹ 350 crore**
**Pakistan**

The Gujarat ATS, in a mid-sea joint operation with the Indian Coast Guard, made the heroin bust from a Pakistani boat. Six of its crew members were apprehended. The contraband destined for Gujarat was sent by a Karachi-based druglord and the exchange was to take place in the high seas

**SEPT. 2022**

**Off Gujarat coast**
**40 kg**
**₹ 250 crore**
**Pakistan**

The Gujarat ATS and Indian Coast Guard caught six Pakistani nationals and recovered the heroin consignment from a boat close to the International Maritime Boundary Line

**JUL. 2022**

**Mundra port**
**75 kg ₹ 375 crore**
**Dubai**

The heroin consignment was concealed in a container carrying cloth material. It was imported by a company from Punjab. The Gujarat Police got suspicious as India has generally been an exporter of clothes. Also, the containers were more than half-empty

**MAY 2022**

**Mundra port**
**56 kg ₹ 500 crore**
**Dubai**

Acting on intelligence inputs, DRI officials searched and scanned a container arriving from Dubai and found heroin inside

**SEPT. 2022**

**Nhava Sheva port**
**345 kg**
**₹ 1,725 crore**
**Afghanistan**

The special cell of Delhi Police made the bust at the port in Navi Mumbai. The heroin was coated on 22 tonnes of licorice roots that were shipped in a container from Afghanistan via West Asia. The consignment was to further travel to makeshift factories across India to extract the contraband

**OCT. 2022**

**Vashi**
**207 kg**
**₹ 1,475 crore**
**South Africa**

The Mumbai unit of the DRI recovered 198 kg of crystal meth along with 9 kg of high-grade cocaine hidden in a consignment of Valencia oranges imported from South Africa. The cartons were kept at a cold storage unit in Vashi after their arrival in Mumbai, and were intercepted while being transported via road. The Kochi-based importer was arrested

**KERALA**

**OCT. 2022**

**Off Kochi coast**
**200 kg**
**₹ 1,200 crore**
**Afghanistan**

The Narcotics Control Bureau, in a joint operation with the Indian Navy, seized the heroin consignment from an Iranian fishing vessel. Six foreign nationals were arrested. The drugs was sourced from Afghanistan, transported to Pakistan and loaded on to the Iranian vessel from there
