BANDEEP SINGH

▲ GREENSPEAK

"The world will not progress without industry but business has to be done sustainably"

PRIYA AGARWAL HEBBAR
Non-Executive Director, Vedanta Ltd

"We can take measures like stopping the use of plastics. Reduce, recycle and reuse must be the mantra"

AISHWARYA SRIDHAR
Wildlife Photographer

"The youth should see the present situation as an opportunity and be more conscious of the issue of climate change"

NEHA NAIKWADE
UN Youth Climate Leader

"It is our responsibility to ensure our future generations have what we have... clean food, a healthy planet and potable water"

BHUMI PEDNEKAR
Actor and Climate Activist

CHANDRADEEP KUMAR

"Shivaji is a fascinating figure and every political ideology can find something in him to appropriate"

MANU S. PILLAI
Historian and Author

▼ INSIGHT: DIPLOMACY

"Rishi Sunak is of Indian origin and a Hindu but he is British in heart and mind"

"We cannot see a world in which the UK thrives without India thriving. There is a mutuality of interest that will get firmer in the future"

ALEX ELLIS
British High Commissioner to India

MANDAR DEODHAR
